Armand,
I did send the latest quote, but I don't know if they used it. I will contact JP today and find out.

Jim;
Thanks. Let me know if there are any questions. Did you use the second quote with the G4513A, G4514A sampler? I have attached it. The original quote contains the old G2913A sampler which is obsolete. Have a Merry Christmas. Thank you.

Hi Armand,
We got approval for the GC/MS. Should we order it from Amherst, or let purchasing order it from Jamaica Plain and ship it to Amherst? I have never ordered equipment before it was always done by Cam so this is all new to me.
Have a Merry Christmas,

Jim

Hi Armand,

I need a new quote for a CG/MS. Your last one 807198 has expired. Nothing is definite but a good possibility.

Thanks
